**No. 8/60**—In exercise of the powers conferred under Rule 233 read with Rule 143 of the Central Excise Rules 1944 I prescribe the following conditions to which all processes of unmanufactured tobacco in Private Bonded Warehouse shall be subject:—

(A) (1) Every holder of a Private Bonded Warehouse Licence desiring to subject unmanufactured tobacco to any process in the warehouse shall give a prior notice to the proper officer, of his intention to process tobacco, 24 hours if the quantity does not exceed 500 maunds and 72 hours where such quantity exceeds 500 maunds before commencing the operation. Notice shall provide details of the number and description of packages, nature of processing and the estimated duration of the process.

(2) The processing operation shall not be started until the permission has been granted in writing by the proper officer where the quantity does not exceed 500 maunds and by the Superintendent of the Circle where the quantity exceeds 500 maunds.

(3) Entries in respect of all the lots taken for processing on a particular date shall be made in the warehouse register in form W.R.G.2 Part II on the same date. Similarly the entries of any further lots added to the process shall be made in the form W.R.G.2 Pt. II on the same day, provided that where the processing operation consists of separation of Rawal from flakes tobacco or crushing of flakes tobacco into Rawal, once a batch has been taken for process, no more lots will be added to it to make it a continuous process.

(4) There is no objection if the process is carried in more than one room simultaneously but each processing batch shall be kept distinct at all stages and no intermingling shall be allowed.

(5) The officer allowing permission for processing may fix a time limit within which the process is to be completed and may extend it where considered justified.

(6) Except where the processing operation consists of separation of Rawal tobacco or crushing of flakes tobacco into Rawal, clearances of the processed tobacco from the lot under process may be allowed after proper weighment, but once a clearance is effected fresh lots of tobacco shall not be added to the lot under process.

(B) *Processing Operations where Rawal is produced:*—

In addition to the above conditions, the following conditions are especially laid down where the processing operation consists of separation of Rawal tobacco and dust from flakes tobacco or crushing of flakes tobacco into Rawal tobacco:—

(1) The processing operation shall not be started until the proper officer visits the warehouse or after the expiry of the period given in the notice, whichever is earlier.

(2) Rawal shall not be mixed with any other to accompany duty at higher rate (for preparing mixture for Biri manufacturers) except in the presence of the Deputy Superintendent who shall record the quantities so mixed in his presence. Where there is no Deputy Superintendent posted at the station, the mixing may be done in the presence of the Inspector.

(3) The Rawal cleared shall not be mixed in duty-paid premises with any other tobacco unless it has been stored in the duty-paid premises for at least 48 hours. If it is required for use urgently, it may be mixed in the presence of the proper officer who will attend on request.

(4) A separate E. B. 3 register shall be maintained for the account of Rawal tobacco.
